SECTION 1. Tennessee Code Annotated, Section 10-7-504, is amended by adding a new subsection as follows:

( ) (1) Notwithstanding any other law to the contrary, those parts of the record identifying an individual as a person who has been or may in the future be directly involved in the process of executing a sentence of death shall be treated as confidential and shall not be open to public inspection. For the purposes of this section "person" includes, but is not limited to, an employee of the state who has training related to direct involvement in the process of executing a sentence of death, a contractor or employee of a contractor, or volunteer who has direct involvement in the process of executing a sentence of death. Records made confidential by this section include, but are not limited to, records related to remuneration to a person in connection with such person's participation in or preparation for the execution of a sentence of death. Such payments shall be made in accordance with a memorandum of understanding between the commissioner of correction and the commissioner of finance and administration in a manner that will protect the public identity of the recipients. Provided, however, if a contractor is employed to participate in or prepare for the execution of a sentence of death, the amount of the special payment made to such contractor pursuant to the contract shall be reported by the commissioner of correction to the comptroller of the treasury and such amount shall be a public record.
